

Foreword

The Kingdom of Christ

The first point is to place before my eyes a human king elected by Our Lord God Himself, whom all princes and all Christians reverence and obey.

The second is to consider how this king speaks to all his subjects, saying: "My will is to reduce to subjection all the land of the infidels; wherefore, whoever desires to come with me must be contented with the food that I eat, with the drink and the clothing that I have, etc. In like manner he must labor as I do during the day, and watch during the night, in order that afterwards he may have part with me in victory, as he has had in the hard work."

The third is to consider what good subjects ought to answer to a king so liberal and so kind; and consequently, if anyone did not welcome the request of such a king, how he would deserve to be blamed by all the world, and held as a slothful knight.

The second part of this Exercise consists in applying the above example of the temporal king to Christ, our Lord.

And as regards the first point, if we consider the temporal king's summons to his subjects, how much more worthy of consideration is it to see Christ our Lord, the Eternal King and before Him the whole world, all of whom and each in particular He calls and says: "My will is to conquer the whole world, and all my enemies, and thus to enter into the glory of My Father. Whoever, therefore, desires to come with Me must labor with Me, in order that following Me in pain, he may likewise follow Me in glory".

The second point is to consider that all who have the use of judgment and reason will offer their whole selves for labor.

The third point is that those who wish to show greater affection, and to signalize themselves in every kind of service of their Eternal King and Universal Lord, not only will offer their whole persons to labor, but also by acting against their own sensuality, and their carnal and worldly love, will make offers of greater worth and moment . . .

The Spiritual Exercises of St. Ignatius

Christ, Our King, lived His earthly life as a model for us to follow in our own lives as students. Christ, the King, challenges us today to imitate His inspiring example and to share His glorious work with Him. He promises us an eternal reward in glory, if, as courageous men of honor who are worthy to be His co-workers, we accept the summons to serve as crusaders in the ranks of our King. The pages of the 1956 *Arena* are a record of the response of Canisius men, 1955-1956, to that call of Christ, the King.

St. Ignatius Loyola

1491-1556

Founder of the Society of Jesus

Dedication

This is the Ignatian year, the four hundredth anniversary of the death of St. Ignatius Loyola, the founder of the Society of Jesus. At communion breakfast tables throughout our country many words of tribute have been spoken concerning the deep-rooted sanctity of St. Ignatius, and the far reaching successes of his spiritual sons. Jesuit schools from Buffalo to Baghdad have featured displays concerning the several works of the Society of Jesus. The Philippine missionary, the Welfare Island chaplain, the University of Beirut professor, the St. Louis Preparatory School teacher, the work of these men has been described, all as a tribute to the holy founder of the Society that labors at these tasks.

As students at a Jesuit high school, part of the vast Jesuit educational system that spans the world, we naturally join in this salute to the founder of the Society of Jesus, and, in a special way, we extend our congratulations to those Jesuits whom we know best of all, our teachers here at Canisius.

But this is more than a time of congratulation, it is a time of inspiration. Joined with our admiration of the many works of the Society of Jesus is a spirit of emulation. Our Jesuit teachers have accomplished much in the kingdom of Christ and they have set a pattern for us to follow. It is a pattern of active labor in the service of Christ, action directed and sanctified along the path pointed out by Saint Ignatius for the greater glory of God.

Action was indeed the aim of Ignatius. The numerous works mentioned above, works inaugurated by St. Ignatius and carried on by the Society to this day, truly attest to this fact. But all these works, all this activity, is merely an effect. The reason for this activity, the motivating force behind this hard labor, we find too in the life of Ignatius. For he was more than a man of action, he was a man of vision. What this vision and inspiration was we realize from our slight familiarity with the Spiritual Exercises. The meditation on the Kingdom of Christ when Christ is portrayed as calling us all to His service was the vision that must have driven Ignatius to labor so lovingly and devotedly in the ranks of Christ, the King. Undoubtedly it was this same meditation proposed by Ignatius, that sent Francis Xavier to spend himself on the heathen coasts of India and China.

And as Ignatius proposed this ideal to Francis Xavier, he proposes that same thought to us each year in our retreat. Each year, for the past four years, Ignatius has portrayed this call of Christ, the King, to us; and our retreat masters, men of Ignatius, have explained to us what is necessary to answer this challenge during our school days here at Canisius. Since the pages of our yearbook recall in some fashion the manner in which we have answered this call of Christ, it is most fitting that we reverently dedicate this book as a tribute to the man who formulated the challenge most vividly and who answered it most fully, *St. Ignatius Loyola*.

Faculty

"And preach as you go, telling them: The kingdom of heaven is at hand." Matt. 10:7

The "kingship" of Christ with its universal challenge is the central theme of the *Spiritual Exercises of Saint Ignatius*. The faculty which guides us through our years at Canisius holds a special place in that kingdom. These lieutenants of Christ, priests and laymen alike, show us by their own lives how to answer the challenge of Christ. To us they are more than teachers of Latin, English, or History; they teach us dedicated service to our King.

MR. JOHN F. BARNES

1931 CANISIUS 1956

"For twenty-five years, Johnny Barnes has been associated with Canisius High School as a physical training instructor, and coach of football, basketball, and baseball. During this span the athletic fortunes of Canisius have reached unparalleled heights as our numerous championship trophies attest. Yet through the years, in victory and defeat, in the blistering sun and the driving rain, on Washington Street and on Delaware Avenue, this smiling gentleman from Louisiana has built for himself and for Canisius a monument beside which all our trophies and medals pale into insignificance. For Johnny's perfect blend of unfathomable knowledge, strict discipline, sincere understanding, competitive spirit, and keen sense of humor has produced a whole generation of Canisius men who constantly reflect credit on their Alma Mater and on their beloved coach.

"Congratulations on your Silver Anniversary, Johnny, and may we have the privilege and pleasure of your masterful guidance for many years to come."

Classes

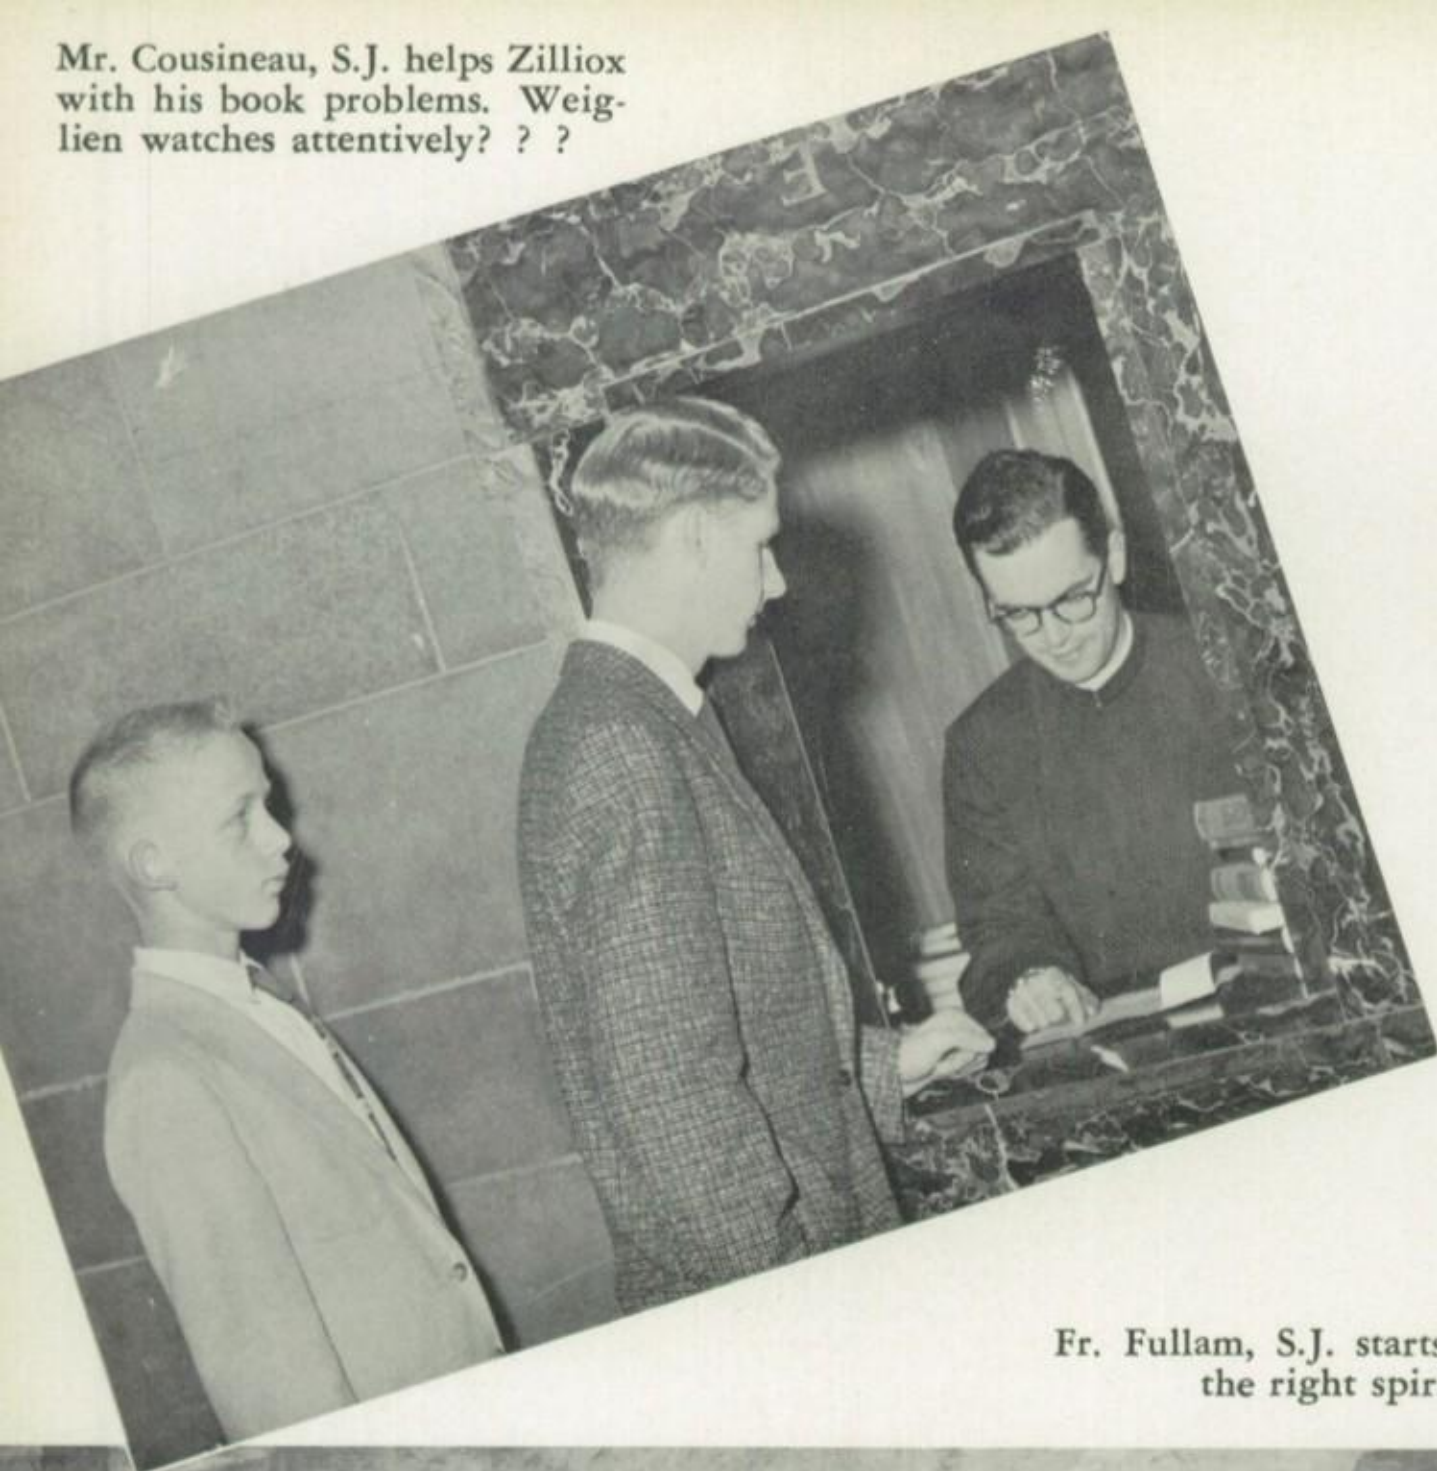

"And so the child grew and came to his strength, full of wisdom; and the grace of God rested upon him."
Luke 2:40

Granted the call of Christ, how are we students to answer that challenge? During his adolescence, Christ served as a model worthy of our imitation. His obedience to authority, His diligence in studies, and His life of grace point the way to achieve perfection in our own state of life as students. The day by day life in our Canisius classrooms, the Nazareth of our own lives, is our opportunity to prepare for useful service in the Kingdom.

1A: Our class is just what the name implies. *Gangloff and Robinson* spend their Saturday evenings at Memorial Auditorium sparking the Actions. *Staebell and Scott* spend their Saturday mornings at school sparking the jug squad. *Dwyer* is a water logged member of the Frosh swimming team. The debating team can count on the vocal support of *Schnitter, Staebell, Piwko, and Scott*. *Stankowski* proved himself a fine addition to the Frosh basketball team.

1B: The arch rivals of IG in those weekly verb form and vocabulary contests. Our class is the only one with its own art gallery and garden. The Buffalo winter was hard on the plants and also on our commuter from East Aurora, *Tom Powers*, who journeyed in many days by dog sled. Other notables are shorty *Tom Litz*, our peppy cheerleader and tall *Tom Sheehan* who shepherded the J.V. football team around during the season. *Alan Indelicato* and *Tom Powers* were speedsters for the cross country team. The debating team, Sodality, and Duces had a large representation from our spirited class.

It must be Friday, eh, Mr. Mulhauser?

1C: under the expert tutelage of Mr. Jones, Class 1C forges doggedly along the labyrinthine paths of the Latin tongue. In the field of extra-curriculars it stands in the forefront among the Frosh with Honer and Maciejewski swishing them through the hoop for the Acrons. Almost any afternoon you can find Hill and Chernowski splashing around in the pool with the swimming team while Dempsey raises the dust around Delaware Park for the harriers. Taking their place on the podium with the Frosh debaters are Nolan, Chernowski, Martin and Haavind. Nolan also churned the turf with the J.V. gridders. Finally, with Crawford supplying vociferous support with the cheerleader's squad, 1C raises the banner for the Blue and Gold.

Answering Mr. Sippel's call for golden throated debators were *Joseph Canty, Dick Mancuso, Dennis Macro,* and *John Menchini.* *Dick Speth* managed to keep himself and the honor of Canisius afloat for the frosh swimming team. The rejuvenated Radio Club found a spot for the dot and dashing *Gabe Arnone.* *Sal Nicosia* had a hand in the interesting exhibits planned by the Library Staff. Finally, Fr. 2E: The liveliest class in school, especially in the break between periods. Our energy also overflows into some school activities with *Jim Stone* and *Earl Daigler* sharing the managerial tasks for most of the school varsity teams. *Frank McNeela*, *Ron Rupert*, and *Mike King* afford ample opportunity for the work of the cafeteria proctors. *Paul Cox*, a transfer from St. Joe's (Philadelphia) caused a lot of grief for St. Joe's (Buffalo) and the other football teams in the Catholic League by his hefty work in the line. Our basketball players include *Matt Holloran* and *John Cleary* who are J.V. players and *Earl Daigler* and *Len Snyder* who star at the Armory for our Munny team.

William Carroll, *President*
 James Killeen, *Vice-President*
 Robert Vacarelli, *Secretary*
 Mariano Pici, *Treasurer*

2F: Fighting men of "Admiral" Noonan. In keeping with the nautical tradition of the class, *Ed Young* and *Ed Mahoney* venture onto the turbulent waters of the Black Rock Canal for the Canisius Crew-saders. In the same line, *Jim Tiffany*, was a hardy pirate in the dramatic society's production of *Treasure Island*. Otherwise engaged we find *Stan Mazuroski* and *Terry Nowicki* painting the posters red for the Poster Club. *Bob Vacarelli*, *Bill Carroll*, and *Jim Killeen* are J.V. basketball hopefuls, especially if *Vacarelli* grows taller and *Killeen* grows slimmer. We also muster many stout hands for the Sodality, the Debating society, and for the various activities of the athletic department headed by Mr. Noonan. A good crew and true.

A banner night for Mr. Noonan.

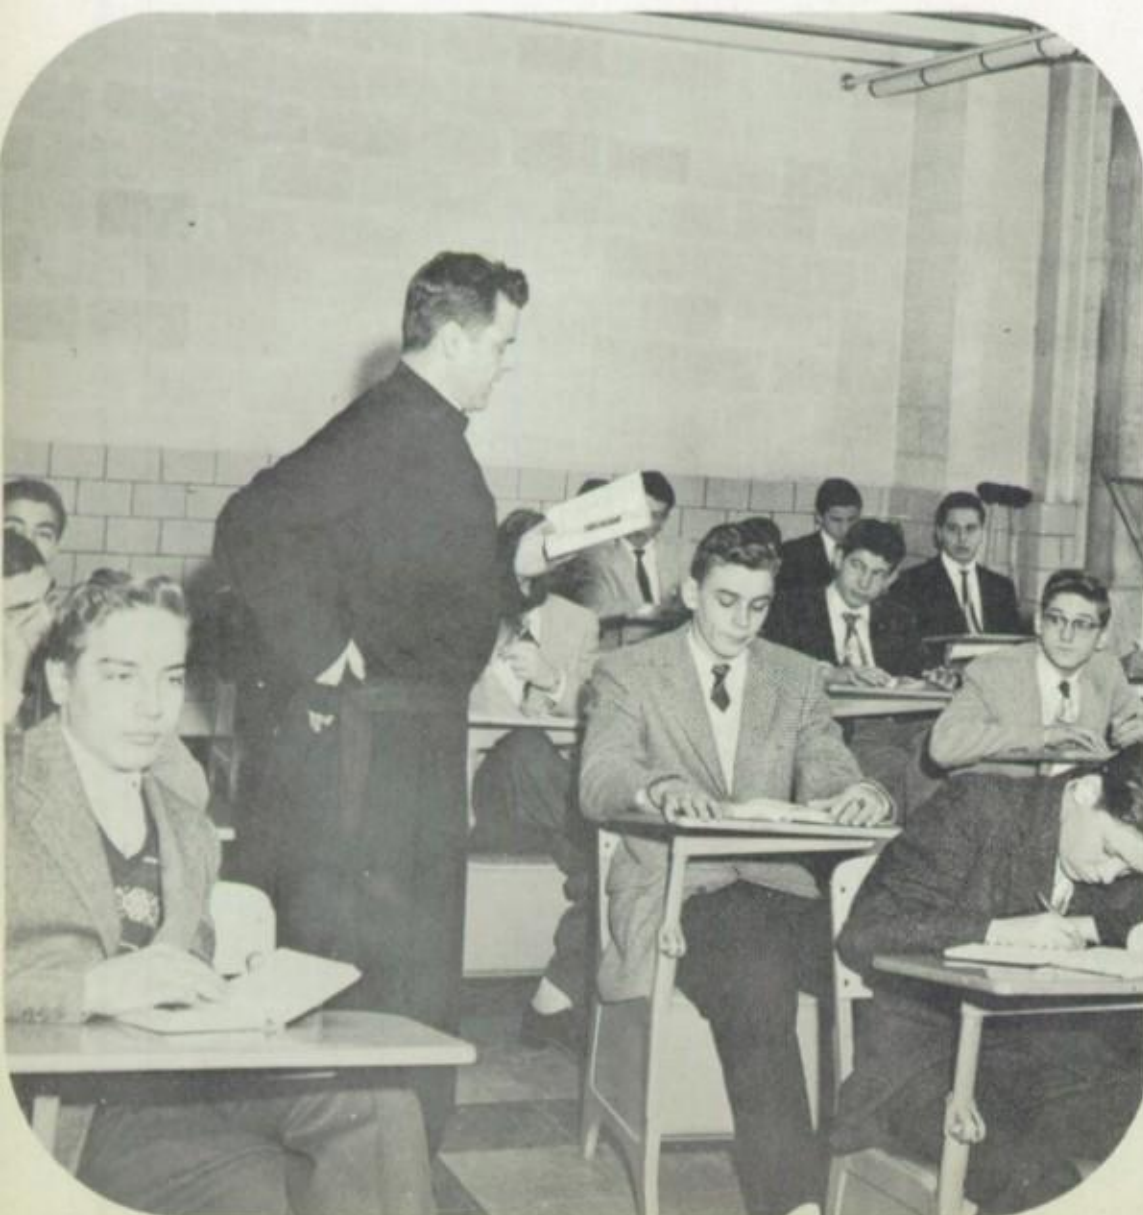

First row: D. Greenman, R. Lewandowski, E. Young, B. Vaccarelli, Mr. R. Noonan, S.J., J. Tiffany, S. Mazuroski, J. Carosa, R. McGinnis. *Second row:* G. Pittner, G. Marshall, T. Wesolek, D. Mullen, D. MacLeod, F. Tryjankowski, M. Golinski, R. Vogel, E. Smith. *Third row:* C. Smith, M. Pici, W. Kelly, A. Kiliszewski, R. Jackson, J. Saben, K. McCann, J. Vallee. *Fourth row:* D. Kerner, G. Youngkins, J. Frank, J. Killeen, W. Carroll, T. Nowicki. *Fifth row:* H. Noble, R. May, E. Mahoney, R. McCarthy.

First row: D. Kowalewski, D. Eich, D. Mateczun, M. Hummell, Fr. L. LaCombe, S.J., J. McPherson, F. Moser, I. Peterson, C. Catalano; *second row:* D. Halbach, L. Pacifico, J. Keating, R. Salerno, R. Boasberg, J. Dombrowski, J. Goetz, P. Adamski, A. Simpson; *third row:* F. Pellegrine, S. Zimmerman, T. Naples, R. Toplin, P. Korzelius, P. Darata, P. Gaughan; *fourth row:* P. Spallino, J. Felli, W. Pauly, J. Huebbers, T. Ring; *fifth row:* V. Moore, D. Blaufuss, A. Kirschofer, D. Borzilleri.

Fr. Lacombe gets "fine" attention.

Albert Kirschofer, *President*
 Anthony Simpson, *Vice-President*
 Donald Borzilleri, *Secretary*
 Peter Spallino, *Treasurer*

2G: A go-go class well represented in all activities. Frank Pellegrine was a menace as a pirate in *Treasure Island*. Class cheerleaders are Lawlor Quinlan and Dave Borzilleri. Thomas Ring is a fast charging member of the Library staff. Swimming stalwarts are Lou Pacifico and Bob Boasberg. Jim Huebbers is a fine debating prospect. Vince Moore and Terry Naples were J.V. gridders and Naples also has a starring berth on the J.V. basketball squad.

3A: The corner class with the corner on the extracurricular activities: Tom Coll is in his second year at the helm of the *Arena Quarterly*. Norm Stafford, Paul Schmitt, and George Christel have done their bit for the Yearbook. The stage crew and the poster club can always count on the talented art work of Bob Schuder. John Battig is a key man on the typing staff of the publications. Letter sweaters are sported in class by Pete Crotty and George Constantino, two strong reserves on our championship football team, and by Bill Carnahan, our varsity track man. Sal Lazzaro is no Bill Russell but his height was valuable on the varsity basketball team.

John LaFalce, *President*
 William Slon, *Vice-President*
 Edward VanDaam, *Secretary*
 Raymond Bissonette, *Treasurer*

3B: Budding scientists: Our globe trotting forensic aces are *John LaFalce* and *Jim Maciejewski* who have joined the debating society to see the world. Our crew members who also travel about working the old shell game are *Tom Chojnacki*, *Jerry Sadus* and *Dick Fisher*. *Bill Malley* was a strong reserve center on the Crusader football line. The *Arena Quarterly* relied heavily on the efforts of Ray Lange the Associate Editor. Finally, our long and short contributions to the basketball teams were *John Gabbey* and *Tom Connors*. *Gabbey* played a key roll in breaking Timon's string of victories over Canisius.

Father Muldoon and a cast of characters.

First row: W. Malley, E. VanDaam, C. Juhasz, G. Wysz, Fr. T. Muldoon, S.J., J. Kuczkowski, P. Chojnacki, T. Connors, T. Niedbalski; *second row:* C. Poremba, F. Perini, T. Penders, J. Enright, J. Salvatore Calandra, *President*
Michael Greene, *Vice-President*
Thomas Francavilla, *Secretary*
Frederic Steffan, *Treasurer*

3C: Fr. Fleming's Favorites: The center of class attention in the early school months were *Al Baxter* and "Scampering" (as he modestly boasts on his letter sweater) *Kenny Kregg*, two solid halfbacks on the football team. *John Bird* and *Cliff Braun* also shared the limelight for their rugged work in the line. When the indoor activities came to the fore, *Dennis Houston*, began to shine for the Behrens debating squad, and *Mike "Si" Greene* bounded to new leaps for the varsity basketball team. And a few notes from hither and yon: *Tom Francavilla's* bone crushing blocks for the J.V. football team, *Norm Steinagle's* work for the stage crew, *Fred Steffan's* study period antics.

Robert Dubel, *President*
 Joseph Weber, *Vice-President*
 Leonard Riforgiato, *Secretary*
 John Strauss, *Treasurer*

3D: D stands for diversity. Our class has some representation in most school activities. *Peter Martin, Len Riforgiato, and Telesophor Jendrasiak* demanded federal aid for the Behrens debating team. *Dave Scoma*, our cheer leader, demanded support for the varsity teams. *Tony "Coaltruck" Kowalski* proved a new find for the Crusader line and his fine rich baritone bolstered the locker room glee club. His cohort on the championship squad was *Dick Hoellig*. *Joe Burkert*, even though a bit whistle happy, did a fine job of officiating the Acrion games in Memorial Auditorium and he also finds time to play with the varsity basketball team. *Bernie Cryan* and *Dave Perkinson* survived their third season trudging around Delaware Park for the cross country team. *Pete Nolan* is also in our class, enough said.

The local bookies.

Terrence O'Connor, *President*
 Paul Guarineri, *Vice-President*
 Peter Rittling, *Secretary*
 Joseph Harrington, *Treasurer*

3E: Staunch supporters of Catiline. We boast three varsity football players, *Joe Harrington*, *Ed Hildebrand*, and *Terry O'Connor*. *Larry Miano* was on hand during the season to keep them well supplied with Absorbine, Jr. The class thespian, *Ray Gordon* played a hefty role in *Treasure Island*. *Karl Mellenger* and *John Frank* were instrumental in the success of new dance band. The Varsity basketball team could always count on the steady backcourt play of *Paul Guarineri*. Even if we did not exactly cover ourselves with scholastic honors at the reading of marks, we had a good representation in school activities and we had a good time in class.

Joseph Lowicki, *President*
 Anthony Bellia, *Vice-President*
 Donald Held, *Secretary*
 Denis Fischer, *Treasurer*

3F: The Comets of Fr. Fernandez; we rock around the clock. *Tony Bellia* and *Chester Syput* are vociferous members of the cheerleaders (They sometimes carry this spirit right into the class room). *Denis Fischer* and *Sean Hill* show their speed on the cross country team and it is nice to see the class place first in something. Our battling fullback on the football team was *Pete Kritzer*, and President *Joe Lowicki* thundered off on many long gains. *Bob Luber* and *Jack Boehm* made quite a splash on the varsity swimming team. *Charlie Kocsis* and *Dick Kohlmeier* sparked the growth of the radio club. So much for the Juniors.

Fr. Fernandez and his 3 F business staff.

First row: J. Smith, F. Kenneth, E. Seigel, C. Kocsis, Fr. R. Fernandez, S.J., P. Englehardt, J. Kerr, G. Cheney, R. Luber; *second row:* C. Syput, T. David, J. Boehm, B. Klein, S. Hill, P. Activities

"Now they have learned to recognize all the gifts thou gavest me as coming from thee."

John 17:6

The more talents that we have at our command, the more valuable will be our service for any cause to which we dedicate ourselves. Christ, our leader, wants as members of His Kingdom young men fully trained in all spheres of action. Our extra-curricular program is the means to develop fully any talents we have. Speakers, actors, debators, students skilled in communicating ideas by the spoken or written word; all have an opportunity to develop these God-given abilities for fuller use in His service.

Canisius
Passion

Play

The Agony in the Garden.

Judas betrays Christ.

Christ before the High Priests.

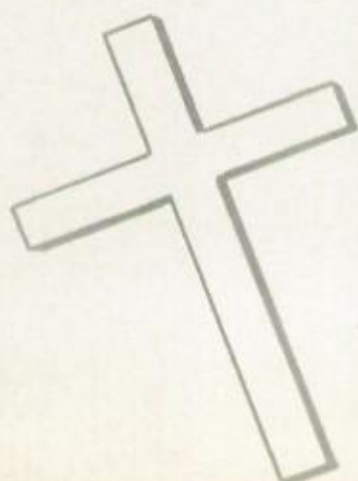

The Denial by Peter.

The Crowning with Thorns.

His nature is, from the first, divine, and yet he did not see in the rank of Godhead, a prize to be coveted:
 he dispossessed himself, and took the nature of a slave, fashioned in the likeness of man,
 and presenting himself to us in human form; and then he lowered his own dignity,
 accepted an obedience which brought him to death,
 death on a cross.

Sports

"You know well enough that when you run in a race, the race is for all; but the prize is for one; run then for victory. Every athlete must keep all his appetites under control and he does it to win a crown that fades, whereas ours is imperishable." 1 Corinthians 9.24

Christ, our King, endured hunger, thirst, and physical torment before he could achieve his goal. His physical being was able to withstand the work, sorrows, and pain that marked His mission on earth because He had strengthened it by hard work and labor. If we are to dedicate ourselves, body and soul, to His Kingdom, we want ourselves to be physically fit as well as mentally disciplined. His challenge is one to competition and to struggle if we are to merit the eternal prize. Sports then help us to prepare ourselves for this challenge.

Seniors

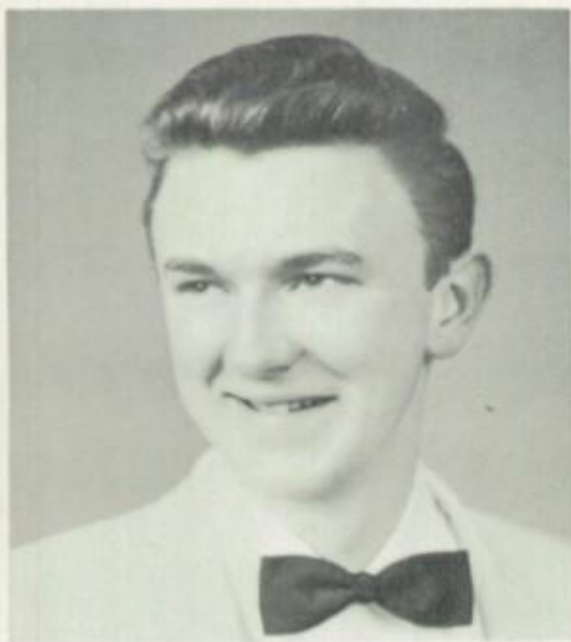

"I have been setting you an example which will teach you in turn to do what I have done for you."

John 13:15

Now we have come to the close of our training at Canisius. May we merit from our King a "well done, faithful servant" for our service in the Kingdom during our high school days. If, during this time, we have earnestly labored for the development of our body, mind, and soul, we will have proven ourselves ready for a more demanding challenge. Confident in the knowledge that the memories of our service in Christ's Kingdom at Canisius will strengthen us, we move to the challenge of greater and more demanding service in what is to come.
